UNRUH CHIROPRACTIC AND WELLNESS CENTER

When a patient seeks chiropractic health care and we accept a patient for such care, it is essential for both to be working towards the same objective.

Chiropractic has only one goal. It is important that each patient understand both the objective and the method that will be used to attain it. This will prevent any confusion or disappointment.

Adjustment: an adjustment is the specific application of forces to facilitate the body's correction of vertebral subluxation. Our chiropractic method of correction is by specific adjustment of the spine and extremities.

Health: a state of optimal physical, mental and social well being, not merely the absence of disease or infirmity.

Vertebral Subluxation: a misalignment of one or more of the 24 vertebra in the spinal column which causes alteration of nerve function and interference to the transmission of mental impulses, resulting in a lessening of the body's innate ability to express its maximum health potential.

_____ Unruh Chiropractic & Wellness Center does not offer to diagnose or treat any disease or condition other than vertebral subluxation. However, if during the course of a chiropractic spinal examination, we encounter non-chiropractic or unusual findings, we will advise you. If you desire advice, diagnosis or treatment for those findings, we will recommend that you seek the service of the health care provider who specializes in that area. Regardless of what the disease is called, we do not offer to treat it. Nor do we offer advice regarding treatment prescribed by others. Our only practice objective is to eliminate a major interference to the expression of the body's innate wisdom. Our only method is specific adjusting to correct vertebral subluxations.

_____ I understand that I am responsible for all costs of incurred in course of my treatment, regardless of insurance coverage. I also understand that if I suspend or terminate my schedule of care as determined by my treating doctor, any fees for professional services will be immediately due and payable.

_____ I understand and agree to allow Unruh Chiropractic & Wellness Center to use my patient health information for the purpose of treatment, payment, healthcare operations, and coordination of care and that all my medical records and personal contact information will be kept confidential.
